Hello.

We at Dixon Elementary are organizing our fourth annual Craft Night, which this year will be held on November 20. This event is the primary fundraising event during the school year.

Specifically, we use the monies to expand our library resources, to fund field trips and other important learning opportunities and resources. For instance, we've been proud to support the Red Cedar Book collection – books written and illustrated by Canadian authors – providing our children access to learning tools which would not otherwise be provided.

A silent auction is central to the evening, and always a major factor in the success of the fundraising effort. To a great extent, we owe the success and popularity of past Craft Nights to the generous donations of members of our community.

We would greatly appreciate any donation you could make, be it large or small. We accept gift card/gift certificates, merchandise and, of course, cash. If you are kind enough to provide something for our silent auction, we will be sure to display your business name, address, website, etc. prominently with the item(s) you donate. Further, your business will be noted as a supporter of our school in our newsletters.

We sincerely appreciate anything you can donate, and regardless of whether you can provide anything, we thank you for your time and consideration.

Sincerely,

The Dixon PAC Craft Night Committee
